Thank you for choosing North Amherst Motors. We are committed to providing our customers with quality workmanship. Because of this commitment, we offer a lifetime warranty on all of our collision work for as long as you own the car. We warranty the work performed for as long as you own the vehicle. The warranty shall only apply if the defects occur under normal conditions and not due to an accident, negligence, abuse, or misuse. Specifically excluded is paint chipping caused by driving conditions. North Amherst Motors does not warranty any rust repairs or any rust-related conditions. We work closely with you to ensure your complete satisfaction.

In order to offer each of our customers the best possible service, we would like to make you aware of our payment, repair, and warranty repair policies:

1. You, the owner, are responsible for full payment of your repairs at the time the repairs to your vehicle are completed. Acceptable forms of payment are: Insurance checks, endorsed by you and any lienholders, cashier's checks, Credit or Debit cards such as MasterCard, Visa, Discover, or local personal checks can be used for amounts up to \$1,000.
2. Frequently, insurance companies issue checks to owners and lienholders, even in cases where the loan has been paid off. When you receive your insurance company check, please bring it to us to verify that all lienholders have signed off. If they have not, we will provide you with the required paperwork to have the lienholder sign off.
3. If there is additional damage, which is not visible until the repair of the vehicle has been started, we will contact the insurance company as part of the original claim. This may be done electronically to expedite the supplement. The insurance company will process this supplemental claim so you may be paid directly by them. Charges for these additional repairs will be included in the final invoice.
4. Late model rental vehicles are available. With proper authorization from the responsible insurance company, we will bill the insurance company directly for the rental car. The customer is responsible for the gasoline used, optional coverages, and any and all damages incurred to the rental vehicle.

Thank you again for entrusting us with the repairs to your vehicle!
